

A message has been circulating in social media since 4 March 2020 stating that our Group CEO is under observation and quarantine after meeting with Covid-19 Patient 26. The message states our office location as HP Tower.

Please be informed that the message is inaccurate.

We are monitoring the Covid-19 situation closely as the well-being of our staff and their families are our priority.

Please refer to official information released by the Ministry of Health Malaysia to avoid causing any further confusion.
